DRIVING DIRECTIONS

Word of caution: Please fill up on petrol at Simpang Pulai or Brinchang before heading to Moonriver Lodge. There are no petrol stations around our area.

From the North-South Highway:

- ◆ Exit at Simpang Pulai, turn right to drive towards Ipoh
- ◆ Look out for turning on the right towards Cameron Highlands at a traffic light junction
- ◆ Stay on this road up a winding road through the mountains. The road leads to Gua Musang (Kelantan) and Cameron Highlands.
- ◆ When you come to an intersection, DO NOT TURN RIGHT INTO CAMERON HIGHLANDS. Stay on the road and head towards Gua Musang.
- ◆ After passing the intersection, you will pass by Blue Valley farms and eventually a strawberry statue followed by a big mosque on the left.
- ◆ When you see the mosque, look out for a SMALL Moonriver Lodge signage on the left. The sign bears the Moonriver Lodge logo (two dancing rabbits against a full yellow moon) and states a 10km marker.
- ◆ Continue on the highway for another 5-10 minutes. You will pass a sign stating “Pejabat Tanah” and the SECOND Moonriver Lodge signage with the 1km marker.
- ◆ Drive on until you see a turn off to the left with road barriers, lamp posts and another two Moonriver Lodge signs. Turn left and drive up following the bend. Stay on the road until you come to a gate in front of the building on the right side. Turn right pass the gate and immediately turn left. Continue on until the end of the drive way and park your car. You’re here!
- ◆ If you start to drive pass Orang Asli settlements along the road, it is quite likely that you’ve missed the turning.
- ◆ **Word of caution:** Please try to check-in before dark as many people have had problems trying to get to our lodge at night. On some days (and nights), a heavy fog sets in along the roads, making it even more difficult to find us.
